

Safety Solutions Group is committed to providing our consultancy and training products and services in a professional, secure, safe, timely and efficient manner.

The overall objective is to consistently provide client satisfaction and value for money in our products and services through consistent leadership, continual improvement, and employee development.

Safety Solutions Group are committed to the following principles:

- We strive to continually improve the performance and effectiveness of our quality management system (ISO9001:2015),
- We will comply with all customers (incl. PHECC, IOSH, SOLAS, IHF, QQI, City and Guilds), stakeholders and compliance obligations,
- We commit to fulfilling each of these compliance obligations to the best of our ability,
- We will train, develop, and support our personnel to enable them to deliver a high level of service that we and our customers expect,
- We will continuously engage and communicate with our customers to ensure that we are fully aware of their requirements,
- We measure our quality performance through defined monitoring and measurement activities, and we will use this data to identify improvement objectives.
